*The words in our picture for this week are from the Gospel reading for today. After a few wild guesses, his friend Peter says, You are the Messiah. The Messiah (Hebrew) or Christ (Greek) was sent from God to us, to bring us the Good News of God's love – and his words can be trusted.*

### HILDEGARD OF BINGEN – WHO IS THIS?

Hildegard was a mystic and visionary, who became a nun at Böckelheim in Germany, before founding a new Abbey at Bingen. She had a strong, loving and living faith which brought her into conflict with the conservative religious authorities of the day. She was a noted composer of religious music, as well writing three visionary works, a natural history and a medical compendium. She was a pastor and a teacher who thought of herself as a ‘feather on the breath of God’.

### *COLLECT FOR THE DAY:*

Lord of creation, whose glory is around and within us:  
open our eyes to your wonders,  
that we may serve you with reverence  
and know your peace at our lives' end,  
through Jesus Christ our Lord.

### *PRAYER FOR THE WEEK – HILDEGARD OF BINGEN*

The earth is at the same time mother.

She is mother of all that is natural, mother of all that is human.

She is the mother of all, for contained in her are the seeds of all.

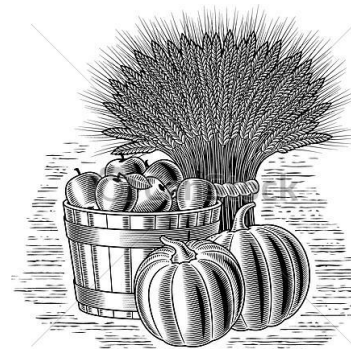

The earth of humankind contains all moisture, all verdancy,  
all germinating power. It is in so many ways fruitful.

All creation comes from it. Yet it forms not only the basic raw material for humankind, but also the substance of the incarnation of God's son.

# CATHEDRAL EVENT – MODERN SLAVERY SUMMIT

Friday 21<sup>st</sup> September, 10.00 to 12.00

## **Labour exploitation: It's not all about farming**

**Join us for a morning of exploring community and pastoral responses to modern slavery and vulnerable people in rural areas.**

We know that labour exploitation is happening, but we equally know that many businesses employing people in the countryside are actively trying to safeguard their supply chains against modern slavery. How can faith groups, statutory agencies, and businesses work together to raise awareness of the issue, identify victims, and stop it happening in the future? How can we care for victims and survivors in a sustainable way?

At Lincoln Cathedral we will be gathering together speakers from a wide range of experience. **Bishop Alastair Redfern**, the recently retired Bishop of Derby who chairs The Clewer Initiative, will share his experience of rural ministry and the part the church can play. **Shayne Tyler**, Operations Executive at Manor Fresh, will detail how he has approached rooting out modern slavery in his supply chain. We will also hear insights from speakers who have been gathering knowledge from across the country on topics such as partnership working and the church response.

There will be space for discussion and conversation as we move towards identifying a way forward. The day will be concluded with a networking lunch.

**Anna will be attending this event, and is happy to offer lifts.
