Welcome back

Welcome back

I do hope you all had a lovely summer. We are so excited to be back in school and working as close to normal as possible for the first time in 18 months.

The school is now operating without bubbles so children are mixing and playing together. Collective worship and singing in school are all taking place again too.

The rules around self isolation have changed and children no longer need to self isolate if someone in your household tests positive. Instead, they should get a test and they can continue to attend school unless they receive a positive result.

If a child has symptoms we will call you and ask you to take your child for a test.

More details can be found here:

[Covid Advice](#)

We have a plan to step up measures in school should an outbreak occur.

Welcome meetings

Welcome meetings will take place in your child's classroom, straight after school on the following days

Tuesday 7th Class 5/6

Wednesday 8th both 3/4 classes

Thursday 9th Class 1/2

Breakfast Club and Rascals

Both of our before and after school clubs are open from today and you can book them through our Parentmail App as usual.

After school clubs

Information about After School Clubs will be sent out to parents tomorrow and clubs will start during the week beginning 20th September.

Topics (Years 1-6)

Information about the topics the children are studying can be found on the school website, alongside sheets which explain the expectations for reading, writing and maths for each year group.

In addition to this, you can expect to receive Knowledge Organisers for each of the classes. These are useful documents for parents as they explain exactly what the children are learning in each subject.

I'm aware that many parents like to support their children at home and Knowledge Organisers will provide you with the information you need to do just that.

Events, visitors and trips

Thankfully, all of the lovely events that used to take place at school are able to go ahead again. With this in mind, I thought it might be helpful to outline for you the key dates for this term.

I have also attached a handy guide to the dates for the year ahead for those parents who don't want to create a wizard outfit in a panic at 8.30 pm the day before World Book Day!

We hope it helps.

You can also find all of the dates on our website within the school calendar or within our School News App which allows you to download them straight to your diary.
