## Summer Term

A child in Year 6 said this morning that they felt this year was simply whizzing by. I think they are exactly right! As it has been a long time since school operated without restrictions, here are few reminders and some key dates for you.

### SATs

This week, Standard Attainment Tests are taking place for both our Year 2 and Year 6 pupils. This will impact the rest of the school as we may have slightly later morning breaks and we will all be a little quieter than usual.

### Breakfast Club and Rascals

I am delighted say that both clubs are now attended much more frequently and are doing well. However, at the moment, we can only offer 30 places. This may mean that on a particularly busy day only children with pre-booked places will be admitted. **Please make sure that book your child's place using Parentmail.** There is a guide on our website. If you need an ad-hoc place, we will do our best to help but please call school.

### Lost Property

We have a lot of lost property in school which is unnamed. We thought it might be useful to remind you to please name clothes; even initials on the label with a sharpie pen helps.

### Messages

Occasionally, some messages that need to go to the school office are going directly to class teachers. This means they have to wait until brektime to pass a message on and this sometimes means we call parents unnecessarily or don't have pupils ready to be collected etc. Please can messages about:

Absence

Medicine

Holiday requests

Dental appointments

Medical appointments

End of day arrangements

Ad-hoc Rascals bookings

go directly to the school office - the answer phone is fine unless you need an immediate response.

### Class Dojo

Teachers are encouraged to reply to messages between the hours of Monday-Friday 7:30am to 6pm. I actively encourage them not to respond in quiet hours.
